

# Registration form team tournament

Carlton International Youth Tournament 2023

With this form you can register for the **Team tournament** on the 30th of december.  
Teams consist of **at least** 2 boys and 2 girls.  
The team will play in one of the age categories. Younger players can be assigned to higher age groups regardless of their matches in the individual CIYT tournament. If a team is incomplete or you just have a few players you want to sign up we will try to match them together with other players to form a full team. Registration forms should be sent to [info@ciyt.nl](mailto:info@ciyt.nl)
